GUJARAT'S POWER REGULATOR

SEEKS THE POWER OF KNOWLEDGE & EXPERIENCE

Gujarat is India's torchbearer in the power sector for maintaining a sustainable 24x7 supply of electricity in the state. GERC, a statutory body, maintains a fine balance in the growth of utilities and electricity supply to consumers while guaranteeing the right regulatory environment in a transparent and efficient manner.

To further strengthen this channel of trust between consumers and electricity supply companies, GERC is opening up exciting career opportunities for result-oriented, dynamic and experienced professionals in the Power/Electric industry.

Last date for submission of application is
18th April, 2020
