1 The Honorable Commission vide letter No. GERC/Legal/2020/1475 dated 14/12/2020 has directed the Petitioner to file petition with respect to the RPO compliance for FY 2019-20 as per the GERC (Conduct of Business) Regulations, 2004. Therefore, the

Petitioner M/s AspenPark Infra Vadodara Private Limited (AIVPL) has filed the present petition under the GERC (Procurement of Energy from Renewable Sources) Regulations, 2010 and its (First Amendment) Regulations, 2014 for revision in RPO and also seeking the following prayers.

- (i) To admit the petition.;
- (ii) To exempt the Petitioner from the RPO obligation till 2022- 2023
- (iii) To remove the Petitioner from the list of obligated entities till the time Petitioner is procuring the power from MGVL.
- (iv) To afford the reasonable opportunity of personal hearing to the Petitioner before passing any order in the matter.
- (v) To allow amendments/alterations/changes/modifications to the submissions.
- (vi) To condone any inadvertent omissions/errors/shortcoming.
- (vii) To grant any other relief/s as the Hon'ble Commission deems fit and appropriate under the circumstances of this case and in the interest of justice.

2.1 The Petitioner is a company incorporated under the provisions of the Companies Act, 1956 having its registered Office at 204, Super Plaza, Sandesh Press Road, Vatrapur, Ahmedabad – 380054, Gujarat.

2.2. The Petitioner has developed a multi sector Special Economic Zone (SEZ) at Village Alwa and Pipaliya, Taluka Waghodia, District Vadodara, Gujarat under Section 3 of the SEZ Act, 2005.

2.3. The Petitioner has been notified as developer of the SEZ by the Ministry of Commerce and Industry (Department of Commerce), Government of India, vide its Notification No. S.O. 1084 (E) dated 03.07.2007 and granted deemed distribution licensee status by the Commission vide its Order dated 16.12.2009.

2.4. The Petitioner is complying all the necessary regulatory accountabilities on timely basis like ARR filing etc. The Commission vide its Order dated 30.06.2017 in Petition No. 1638 of 2017 of Tariff Order, Truing up for FY 2015-16, Approval of Final ARR for FY 2016-17, Approval of Multi-Year ARR for FY 2016-17 to 2020-21 and Determination of Tariff regularly.

Power Purchase Cost approved for FY 2016-17 to 2020-21

Particulars	2016-17	2017-18	2018-19	2019-20	2020-21
Power Purchase (Units)	1,03,89,419	1,09,08,018	1,14,52,548	1,20,24,303	1,26,24,647
Power Purchase Cost (Rs. Lakhs)	779.21	809.37	842.91	891	925.39
Cost Per Unit (Rs./kWh)	7.5	7.42	7.36	7.41	7.33

- 2.5. It is submitted that the present petition is filed with respect to the RPO compliance by the Petitioner as the deemed distribution licensee. Further, in this regard, the Petitioner has relied upon a Judgement dated 16.04.2015, passed by the Hon'ble Appellate Tribunal for Electricity in Appeal No. 258/2103 and 21/2014 & IA- 28 /2014 where SEZ (deemed licensee) are exempted from RPO compliance. The relevant extract of the said Judgement is reproduced below:

63. It is seen that the State Commission has exempted the SEZ (deemed licensee) from RPO compliance for FY 2010-11 and 2011-12 and again during 2012-13, they were exempted even though they did not make any efforts to fulfill their respective RPO. Low energy consumption of the distribution licensee, increase in tariff due to purchase of renewable energy as per the RPOs, nascent stage of operation etc. cannot be the reasons for which their RPO should have been reduced to zero. Smaller entities will have low energy consumption but their RPO will also be low as RPO is fixed as a percentage of energy consumption. These reasons are not related to supply constraints or beyond the control of the licensee and do not qualify for revising of the RPO under Section 4.2. However, we do not find any infirmity in finding of the State Commission to relax the RPO obligation of those distribution licensees who purchase power from GUVNL and its four distribution licensees to meet their energy consumption at the retail supply tariff determined by the State Commission and their energy consumption is included in the RPO obligation of the supplying company.

- 2.6. It is submitted that the Petitioner is purchasing/procuring the power from one of the Distribution licensee MGVL as consumer at retail supply tariff determined by the Commission and that the Petitioner's energy consumption is included in the RPO obligation of MGVL being the supplying company. Thus, even though the Petitioner has a distribution license, it does not fall in the category of obligated entity until the Petitioner starts procuring power from generators directly or through open access. Details of Actual power purchase from MGVL is under

<i>Particulars</i>	<i>F.Y 2019-20</i>
<i>Power Purchase (Units) from MGVL</i>	1,12,88,240
<i>Power Purchase Cost (Rs. Lakhs) paid to MGVL</i>	907.53
<i>Cost Per Unit (Rs. /kWh)</i>	8.03

M/s Aspen Park Infra Vadodara Private Limited has been notified as a Special Economic Zone (SEZ) by the Ministry of Commerce & Industry, Government of India, vide notification No. 1084 (E) dated 03/07/2007. Further, the Department of Commerce, Government of India issued a notification No. 528 (E) dated 03.03.2010, under Section 49 of the SEZ Act, 2005 which stipulates that the SEZs are deemed distribution licensee under the Electricity Act, 2003.
