Respondent

PETITION ON BEHALF OF GUJARAT URJA VIKAS NIGAM LIMITED (GUVNL)

MOST RESPECTFULLY SHOWETH:

1. That the Government of Gujarat had notified the Gujarat Electricity Industry (Reorganization and Regulation) Act 2003 in May 2003 for the reorganization of the State Electricity utilities in the State of Gujarat. Pursuant to the Gujarat Electricity Industry Reorganization and Comprehensive Transfer Scheme, 2003 notified under the Gujarat Electricity Industry (Reorganization

and Regulation) Act 2003, erstwhile Gujarat Electricity Board has been reorganised and its functions have been vested in different entities. The function of Bulk purchase and Bulk sale of power is assigned to the Petitioner - Gujarat Urja Vikas Nigam Ltd. (GUVNL) as per the re-organization scheme.

2. The distribution companies are mandated to procure power from Renewable Energy Sources as per the provisions of Section 86 (1)(e) of the Electricity Act, 2003 and in terms of GERC (Procurement of Energy from Renewable Energy Sources) Regulations, as amended from time to time. In accordance with the same, the Petitioner on behalf of the its four Distribution companies has been entering into Power Purchase Agreement amongst others with various Renewable Energy Generators for procurement of power from time to time.

3. Sections 61 and 62 of the Electricity Act, 2003 empower the State Commissions to specify the terms and conditions for determination for tariff for generation, transmission, distribution and supply of electricity in their State. In order to promote further competition, Section 63 of the Electricity Act, 2003 provides the State Commission to adopt such tariff which have been determined through a transparent process of competitive bidding.

4. That GUVNL had on behalf of the four State owned Distribution Companies conducted tendering process for procurement of 500 MW power from Grid Connected Wind Power Projects through Competitive Bidding (followed by e-reverse auction) vide RfS No. GUVNL/Competitive/500 MW/Wind dated 15.06.2017 and Addendums thereto. The Hon'ble Commission had vide Order dated 06.10.2017 in Petition No. 1682 of 2017 had accorded approval to the Competitive Bidding Process initiated by GUVNL under Section 86(1)(b) and also granted in principle approval to the bid documents.

5. The Ministry of Power vide resolution No. 23/54/2017/R&R dated 08.12.2017 notified "Guidelines for Tariff Based Competitive Bidding Process for Procurement of Power from Grid Connected Wind Power Projects." However, Standard Bidding Documents had not been published. Section 5.1 (c) (ii) of the said Guidelines provided that in case of an ongoing bidding process, if the bids have already been submitted by bidders prior to the notification of these Guidelines and/or SBDs, then if there are any deviations between these Guidelines and/or the SBDs and the proposed RfS, PPA, PSA (if applicable),

the RfS, PPA and the PSA shall prevail. Competitive bidding process initiated by GUVNL was prior to the Guidelines as the last date of bid submission was 07.11.2017.

6. In the said bid, there were various Successful Bidders including the Respondent No. 1, M/s K.P.Energy Ltd (the Lead Member of Consortium) for quoted capacity of 30 MW at the tariff of Rs. 2.43 who was one of the L1 bidders.

7. As per the terms and conditions of the tender, the Power Purchase Agreements were executed with the Successful Bidders. The Respondent No. 1 had vide letter dated 23.01.2018 expressed the intention to execute the PPA through a Special Purpose Vehicle being Respondent No. 2, M/s Evergreen Mahuva Wind Farms Private Limited with equity participation by the members in line with the Consortium Agreement. The Respondent No. 2 had furnished a Performance Bank Guarantee No. 0408318BG0000001 dated 23.01.2018 amounting to Rs. 7,50,00,000/. Accordingly, in case of Respondent No. 1, the PPA dated 24.01.2018 was executed with the Respondent No. 2. A copy of the PPA dated 24.01.2018 is attached hereto and marked as **Annexure-A**.

8. That GUVNL had filed the Petition No. 1705 of 2018 for adoption of tariff discovered pursuant to the Competitive Bidding Process conducted for procurement of power from 500 MW grid connected Wind Power Projects by the Petitioner. The Hon'ble Commission vide Order dated 31.05.2018 adopted the tariff in respect of the successful bidders which included the Respondent No. 1. A copy of the Order dated 31.05.2018 is attached hereto and marked as **Annexure-B**.

9. In the said Order, the Hon'ble Commission inter alia noted as under:

"5.8. The Petitioner conducted e-reverse auction on bucket filing concept, and accordingly, following bidders emerged as successful at the respective rates quoted by them finally at the time of closure of reverse auction:

No.	*Successful Bidder*	*Quoted Capacity (MW)*	*Tariff (Rs./kWh)*	*Rank*	*Allocated Capacity (500 MW)*	*PPA signed on*
1	*Sprng Energy Pvt. Ltd.*	*197.5*	*2.43*	*L1*	*197.5*	*11.01.2018*

2	K. P. Energy Ltd.	30	2.43	L1	30	24.1.2018
3	Verdant Renewable Pvt. Ltd.	100	2.44	L2	100	25.1.2018
4	Betam Wind Energy Pvt. Ltd.	29.9	2.44	L2	29.9	24.1.2018
5	Powerica Limited	50	2.44	L2	50	11.1.2018
6	Renew Power Ventures Pvt. Ltd.	200	2.45	L3	35.7	24.1.2018
7	Oil India Limited	18.9	2.43	GoI Under taking	18.9	5.1.2018
8	SJVN Limited	50	2.43	GoI Under taking	38	30.1.2018

.....

5.10. From the above we observe the benefit of competitive bidding as the price discovered under this process is very attractive (in fact, lowest till date in the Country) and beneficial to the licensee as well as the consumers of the licensees. We note that the present Petition has been filed by the Petitioner under Section 63 read with Section 86 (1) (b) of the Act for adoption of tariff discovered under the competitive process, hence it is necessary to refer the said Sections which are reproduced below....

....

5.13. We observe that the tariff discovered under the competitive bidding process is substantially lower as compared to the generic tariff determined by the Commission vide Order No. 2 of 2016 dated 30.8.2016. We, therefore, decide to adopt the tariff in respect of successful bidders as mentioned in Para 5.8 hereinabove discovered under Competitive Bidding conducted by the Petitioner under Section 63 of the Electricity Act, 2003 for procurement of 500 MW power from the grid connected Wind power projects. We also decide and direct the Petitioner to host the PPAs on its websites for at least 30 days for knowledge of the stakeholders.

10. Thus the PPA dated 24.01.2018 was between GUVNL and Respondent No. 2. However the Respondent No. 2 had not commissioned the 30 MW Wind Project as per the stipulated terms and conditions of the said PPA dated 24.01.2018, and therefore the said PPA dated 24.01.2018 was terminated by GUVNL by issuance of Default Notice dated 01.06.2020 and Termination Notice dated 01.07.2020. The Performance Bank Guarantee dated 23.01.2018 amounting to Rs. 7,50,00,000/- furnished by Respondent No. 2 had been encashed by GUVNL.

11. In this regard, proceedings had been initiated before this Hon'ble Commission being Petition No. 1883 of 2020 filed by Respondent No. 2 and Petition No. 1980 of 2021 filed by GUVNL.

12. While the proceedings were pending, the Respondent No. 1 on behalf of the Respondent No. 2 had represented before Government of Gujarat for revival of the PPA dated 24.01.2018 on the same tariff and terms and conditions.

13. In terms of the communications, the terms of settlement were proposed under the consideration of Energy and Petrochemical Department, Government of Gujarat and in principal approval was received on 07.10.2023 to GUVNL. A copy of the Letter dated 07.10.2023 by the Energy and Petrochemical Department, Government of Gujarat is attached hereto and marked as **Annexure-C**. In view of further request from the Respondent No. 1 to Government of Gujarat, GUVNL had sent its comments to the Government of Gujarat on 08.11.2023. The Government of Gujarat on 16.11.2023 granted approval. A copy of the Letter dated 16.11.2023 by the Energy and Petrochemical Department, Government of Gujarat is attached hereto and marked as **Annexure-D**.

14. Thus the Energy and Petrochemical Department, Government of Gujarat Gandhinagar vide letters dated 07.10.2023 and 16.11.2023 has accorded approval for signing a fresh Power Purchase Agreement with certain specific conditions, which inter-alia included the tariff of Rs. 2.43/- per unit (which was the bid tariff) to be fixed and subject to prior approval of this Hon'ble Commission.

15. The Respondent No. 1 has thus requested GUVNL for execution of fresh Power Purchase Agreement with Respondent No. 1 as the Power Producer and the Respondent No. 2 had agreed to transfer all rights and obligations related to the PPA dated 24.01.2018 to the Respondent No. 1. As per the terms proposed on behalf of the Petitioner and accepted and approved by Government of Gujarat, the Respondent No. 1 (the Lead Member of the consortium which had bid for the project and parent company of the Respondent No. 2, the Power Producer in the PPA dated 24.01.2018) would be the party implementing the power project. The Respondent No. 2 has agreed not to raise any claims either itself or through any other person claiming through

Respondent No. 2 against GUVNL in regard to the PPA dated 24.01.2018 or in regard to the return of amount of performance bank guarantee encashed by GUVNL. The Respondent No. 1 has also agreed that GUVNL can retain the appropriated amount by encashment of Performance Bank Guarantee without any obligation to give any refund or adjustment either to Respondent No. 1 or Respondent No. 2. GUVNL with due approval of the Energy & Petrochemical Department, Government of Gujarat dated 16.11.2023 agreed to sign the fresh Power Purchase Agreement with the Respondent No. 1 as Power Producer on the approved terms including on the conditions specified therein.

16. The Respondent No. 1 (and its Promoter) has submitted an Undertaking dated 22.11.2023. A copy of the Undertaking dated 22.11.2023 is attached hereto and marked as **Annexure-E**.

17. GUVNL and the Respondent No. 2 had filed a Joint Application before the Hon'ble Commission in the Petitions No. 1883 of 2020 and 1998 of 2021 placing the draft Agreement wherein the Hon'ble Commission has passed a Daily Order dated 25.01.2024. A copy of the Daily Order dated 25.01.2024 is attached hereto and marked as **Annexure -F**.

18. The parties being GUVNL, the Respondent No. 1 and Respondent No. 2 have entered into the tripartite power purchase agreement dated 25.01.2024 wherein the terms and conditions have been agreed to; however it has been specified therein that the said Agreement is subject to approval of the Hon'ble Commission. A copy of the Tripartite Power Purchase Agreement dated 25.01.2024 is attached hereto and marked as **Annexure-G**.

19. In terms of the above, the Respondent No. 1 has undertaken to execute the 30 MW Wind Project within 12 months of signing of this PPA at a tariff of Rs. 2.43/Unit without any further price escalation or time extension and as per the terms and conditions agreed hereto.

    a. The SCOD is 12 months from the date of signing of the PPA.

    b. The parties have agreed that the Power Producer shall not claim any force majeure event or Change in Law Event or any relief therefor for the period until the actual commercial operation date of the Project.

c. The Respondent No. 1 has submitted a fresh Performance Bank Guarantee of amount of Rs. 7.5 Crores. For delay upto 6 months from SCOD, the Performance Bank Guarantee shall be encashed towards Liquidated damages on per day basis and proportionate to the capacity not commissioned. For delay beyond the period of six months, the PPA shall stand terminated for the capacity not commissioned.

d. The parties have also agreed to the condition of GUVNL being allowed to recover the amount of liquidated damages related to termination compensation amount which was in issue in Petition No. 1980 of 2021 alongwith interest from 30.07.2020 from the Respondent No. 1 in case the Respondent No. 1 does not commission the project within the timelines agreed to in the present Agreement. It has also been agreed that the same is a genuine and reasonable pre-estimate of the damages suffered by GUVNL. This is in addition to other terms and conditions which are provided in the Agreement.

e. The Respondent No. 1 has also agreed to provide an additional bank guarantee of Rs.46.94 Crores plus applicable interest (from 30.07.2020) in lieu of termination compensation if the project activities do not commence within six months from the execution of this fresh PPA which may be encashed in case the Project is not commissioned within the timelines specified in this Agreement.

f. The parties would be withdrawing the respective Petitions being No. 1883 of 2020 and 1980 of 2021 filed before this Hon'ble Commission.

20. The PPA dated 25.01.2024 is consistent with the earlier agreement dated 24.01.2018 with certain modifications and variations as per the agreed terms. The present PPA is based on the terms approved by the Government of Gujarat. It is agreed between the parties that the terms of the Agreement are subject to the final approval of the Hon'ble Commission.

21. The tariff for the PPA is the tariff discovered under the competitive bid carried out by GUVNL wherein the Respondent No. 1 was the Successful Bidder and the tariff stands adopted by the Hon'ble Commission under Section 63 and therefore the procurement of 30 MW as well as tariff of Rs. 2.43 per unit already stands approved. The present PPA can be said to be in continuation

to the earlier PPA dated 24.01.2018 and the present PPA is a settlement of issues arising between the parties.

22. GUVNL is hereby filing the present Petition before Hon'ble Commission for approval of the Tripartite Power Purchase Agreement dated 25.01.2024 executed between GUVNL and the Respondent No. 1 and 2.

23. The Petitioner craves relief of the Hon'ble Commission to allow further submissions, prayers, additions and alterations to this Petition as may be necessary from time to time.

24. PRAYER

It is therefore, respectfully prayed that this Hon'ble Commission may be pleased to:

a) Admit this Petition.

b) Approve the tripartite Power Purchase Agreement dated 25.01.2024;

c) Pass any other Order as the Hon'ble Commission may deem fit and appropriate under the circumstances of the case.

ORDER

1. The present Petition has been filed by the Petitioner M/s Gujarat Urja Vikas Nigam Limited, requesting the Commission to adopt the tariff discovered by the Petitioner pursuant to the Competitive Bidding Process conducted by the Petitioner through RfS No. GUNVL/Competitive/500 MW/Wind dated 15.6.2017 & Addendums thereto.

2. Facts narrated in the petition are as follows:

2.1. The Government of Gujarat has notified the Gujarat Electricity Industry (Reorganization and Regulation) Act, 2003 in May, 2003 for the reorganization of the entire power sector in the State of Gujarat.

2.2. Pursuant to the Gujarat Electricity Industry Reorganization and Comprehensive Transfer Scheme, 2003 notified under the Gujarat Electricity Industry (Reorganization and Regulation) Act, 2003 erstwhile Gujarat Electricity Board has been reorganized and its functions have been vested in different entities.

2.3. The activities of Generation, Transmission, Distribution, Bulk power purchase and supply undertaken by erstwhile Gujarat Electricity Board has been entrusted to separate seven functional entities. The generation activity is assigned to Gujarat State Electricity Corporation Limited (GSECL), transmission activity is assigned to Gujarat Energy Transmission Corporation Limited (GETCO), and the distribution activity is assigned to four distribution companies viz. Uttar Gujarat Vij Company Limited (UGVCL), Madhya Gujarat Vij Company Limited (MGVCL), Dakshin Gujarat Vij Company Limited (DGVCL) and Paschim Gujarat Vij Company Limited (PGVCL). Further, the function of Bulk purchase and bulk sale of power is assigned to the Petitioner, Gujarat Urja Vikas Nigam Limited, as per the re-organization scheme.

2.4. Distribution companies are mandated to procure power from Renewable Energy Sources as per the provisions of Section 86 (1)(e) of the Electricity Act, 2003 and in terms of GERC (Procurement of Energy from Renewable Energy Sources) Regulations, as amended from time to time.

2.5. In accordance with the same, the Petitioner on behalf of the its four Distribution companies has been entering into Power Purchase Agreement amongst others with various Renewable Energy Generators for procurement of power from time to time.

2.6. Sections 61 and 62 of the Electricity Act, 2003 empower the State Commissions to specify the terms and conditions for determination for tariff for generation, transmission, distribution and supply of electricity in their State. In order to promote further competition, Section 63 of the Electricity Act, 2003 provides the State Commission to adopt such tariff which have been determined through a transparent process of competitive bidding.

2.7. National Tariff Policy, 2016, at Clause 6.4 (2), also gives specific guidance on purchase of power generated from Renewable Energy Sources and that the States shall endeavor to procure power from renewable energy sources through competitive bidding to keep the tariff low.

2.8. The Commission vide letter dated 18.3.2017 observed that as per the provisions of the National Tariff Policy, procurement from renewable energy projects by the distribution licensees is recommended through competitive bidding to keep tariff low. It was also observed that the Government of India and various other State Governments have initiated Competitive Bidding Process in which the discovered tariff has shown substantial reduction. The said letter directed the distribution licensees to procure electricity from the Wind and Solar Power Projects through Competitive Bidding Process under Section 63 of the Act or by following the Competitive Bidding Process followed by SECI / MNRE etc. and that the tariff determined by the Commission in the respective category of renewable energy will act as ceiling tariff and the Distribution Licensees may approach the Commission for adoption of the tariff discovered through such competitive bidding process.

2.9. In the circumstances mentioned above, the Petitioner on behalf of the four Distribution Companies which are its subsidiaries conducted tendering process for procurement of 500

MW power from grid connected Wind Power Projects through Competitive Bidding (followed by e-reverse auction) vide RfS No. GUVNL/Competitive/500 MW/Wind dated 15.6.2017 & Addendums thereto.

2.10. The Commission through letters dated 20.7.2017 and 5.8.2017 had conveyed the Petitioner that under Section 63 read with Section 86 (1) (b) of the Electricity Act, 2003 the Commission is mandated to regulate the procurement of power by Distribution Utilities and advised the Petitioner to get appropriate regulatory approval from the Commission by filing Petition under the GERC (Conduct of Business) Regulations, 2004.

2.11. In accordance with the above directives of the Commission, the Petitioner had filed Petition No. 1682/2017 before the Commission for approval of the Competitive Bidding Process (followed by reverse e-auction) initiated by the Petitioner for procurement of 500 MW power from grid connected Wind Power projects in Gujarat as the same were consistent with the MNRE's Draft Guidelines F. No. 238/1/2017.

2.12. The Commission vide Order dated 6.10.2017 in the Petition No. 1682/2017 had accorded the approval for the Competitive Bidding Process initiated by the Petitioner under Section 86 (1)(b) of the Act and also granted in-principle approval to the bid documents (RfS, PPA & Addendums after the pre-bid conference with the prospective bidders). The Commission vide aforesaid Order had also directed the Petitioner to approach the Commission for adoption of the discovered tariff and for approval of the PPAs after successful completion of the Competitive Bidding Process and submit the details of the bidding process, bid evaluation report etc.

2.13. Ministry of Power vide resolution No. 23/54/2017/R&R dated 8.12.2017 has notified "Guidelines for Tariff Based Competitive Bidding Process for Procurement of Power from Grid Connected Wind Power Projects." However, Standard Bidding Documents are yet to be published by MoP Government of India. Section 5.1 (c) (ii) of the said Guidelines provides that in case of an ongoing bidding process, if the bids have already been submitted by bidders prior to the notification of these Guidelines and/or SBDs, then if there are any deviations between these Guidelines and/or the SBDs and the proposed RfS, PPA, PSA (if applicable), the RfS, PPA and the PSA shall prevail.

2.14. In the above background, the Petitioner proceeded with Competitive Bidding Process (followed by e-reverse auction) with the last date of bid submission as 7.11.2017 and Technical Bid Opening on 8.11.2017. Technical Bid Opening of online bids as well as offline bids was held in the presence of Bid Evaluation Committee constituted by the Petitioner consisting of (i) Shri K. P. Jangid, General Manager-Commerce, (ii) Ms. Sailaja Vachhrajani, General Manager, IPP, (iii) Shri Parthiv Bhatt, Company Secretary, (iv) Shri J. N. Pancholi, Chief Finance Manager-F&A, and (v) A representative from Crisil-GUVNL's consultant.

2.15. The Petitioner received online bids from 18 bidders offering aggregate capacity of 2119.8 MW. The technical evaluation report prepared by M/s Crisil Risk and Infrastructure Solutions Limited- Consultant appointed by the Petitioner and signed by the Evaluation Committee Members is placed on record.

2.16. In accordance with the above, the Financial Bids of all technically qualified 18 bidders were opened on 21.12.2017 at TCIL's Portal in the presence of above mentioned Bid Evaluation Committee. As per the eligibility criteria mentioned in the RfS Document for

qualification for e-reverse auction, 12 bidders aggregating to capacity of 1527.4 MW were shortlisted for e-reverse auction.

2.17. The e-auction report generated at the TCIL's portal at the closure of e-reverse auction pursuant to the bucket filling concept is also placed on record. The final prices discovered at the closure of e-reverse auction were in the range of Rs. 2.43 - 2.45/unit.

2.18. Furthermore, as per the RfS provisions for 75 MW reserved capacity for Central Sector/State Sector PSUs/Govt. Controlled Organizations, the Petitioner offered the below mentioned Bidders to match the L1 rate discovered in their order of ranking/priority.

(i) Gujarat Industries Power Co. Limited (150 MW & e-RA price of Rs. 2.54/unit)

(ii) Oil India Limited (18.9 MW & Financial Bid Price of Rs. 3.00/unit)

(iii) THDC India Limited (73.5 MW & Financial Bid Price of Rs. 3.50/unit)

2.21. As per the terms and conditions of the tender, the Successful Bidders are required to execute PPA with the Petitioner within one month from date of issuance of Letter of Award and accordingly, the PPAs have been executed with the successful bidders on various dates as indicated above.

2.22. In the above background and in accordance with Section 63 of the Electricity Act, the present Petition is filed by the Petitioner for adoption of tariff discovered pursuant to the Competitive Bidding Process conducted for procurement of power from 500 MW grid connected Wind Power Projects by the Petitioner.

3. The matter was heard on 9.2.2018.

4. Ms. Sailaja Vachhrajani, on behalf of the Petitioner, submitted that the Petitioner had floated the tender for procurement of 500 MW power from grid connected Wind power projects through competitive bidding followed by e-reverse auction on 15.6.2017. The last date of bid submission was 7.11.2017. Technical bid was opened on 8.11.2017. The Petitioner had received online bids from 18 bidders offering aggregate capacity of 2119.8 MW. Financial bids of all technically qualified 18 bidders were opened on 21.12.2017 and subsequently 12 bidders with capacity aggregating to 1527.4 MW were shortlisted for e-reverse auction. At the end of the e-reverse auction based on the bucket filling concept, the

final prices discovered at the closure of e-reverse auction were in the range of Rs. 2.43-2.45/unit.

4.1. She further submitted that there was also a provision for reserving 75 MW capacity for Central Sector/State Sector PSUs/Govt. Controlled Organizations. Therefore, the Petitioner offered the four such companies, which participated in bidding, namely, GIPCL, Oil India Ltd., THDC India Ltd. and SJVN Ltd. to match the L1 rate of Rs. 2.43/unit. Whereas Oil India Ltd. and SJVN Ltd. confirmed to match L1 rate for 18.9 MW and 38 MW respectively, GIPCL and THDC did not agree to execute the PPA at L1 rate.

4.2. Further, since the Central/State Sector PSUs/ Govt. Controlled Organizations, offered in total only 56.9 MW (18.9 MW + 38 MW), the balance 18.1 MW was allocated to Renew Power Ventures Pvt. Ltd. which was originally considered for allocation of 17.6 MW. Hence, Renew Power was finally allocated 35.7 MW in total.

4.3. The Petitioner had earlier filed Petition No. 1682 of 2017 seeking approval of the present Competitive Bidding Process initiated by the Petitioner and the Commission vide Order dated 6.10.2017 had approved the same under Section 63 read with Section 86 (1)(b) of the Act and also granted in-principle approval to the bid documents. The Commission also directed the Petitioner to submit details of the bidding process, bid evaluation report etc. and to approach the Commission for adoption of the discovered tariff and approval of PPAs after successful completion of the competitive bidding process. As the Petitioner has successfully completed the bidding process and have entered into the Power Purchase Agreements with the successful bidders, the Commission is requested to adopt the tariff discovered by the Petitioner.

4.4. She further added that the aforesaid bidding process was challenged by Indian Wind Energy Association before the Hon'ble Gujarat High Court, which was dismissed by the single bench of the High Court. An appeal was also filed before larger bench, which was again dismissed by the High Court. Against this, Special Leave Petition was filed before the Hon'ble Supreme Court, which was dismissed in light of the SCA filed before the Hon'ble Delhi High Court challenging the Guidelines issued by Ministry of Power on 8.12.2017 for wind power projects. GUVNL as well as the Commission were made parties to this SCA, however, the Hon'ble Delhi High Court directed to remove these names since the bidding process was already over. Application in this regard has already been filed by the appellant before the Hon'ble Delhi High Court.

5. We have noted the submissions made by the Petitioner. The present petition filed by the Petitioner is for adoption of tariff discovered under the Competitive Bidding process for procurement of 500 MW power from grid connected Wind Power Projects.

5.1. The Petitioner is a holding company of erstwhile GEB and purchasing the electricity in bulk on behalf of its four subsidiary companies i.e. distribution licensees namely, UGVCL, DGVCL, PGVCL and MGVCL. GUVNL has initiated the procurement of power for the distribution licensees towards fulfillment of their Renewable Power Purchase Obligation specified by the Commission in GERC (Procurement of Energy from Renewable Energy Sources) Regulations, 2010 and subsequent amendments thereto. The Commission vide Second Amendment has specified the trajectory of RPO requirement till FY 2021-22 as below:

Year	Minimum Quantum of purchase (in %) from renewable energy sources (in terms of energy in kWh).			
	Wind (%)	Solar (%)	Others (Biomass, Bagasse, Hydro and MSW) (%)	Total (%)
(1)	(2)	(3)	(4)	(5)
2010-11	4.5	0.25	0.25	5.00
2011-12	5.0	0.5	0.5	6.00
2012-13	5.5	1.0	0.5	7.00
2013-14	5.5	1.0	0.5	7.00
2014-15	6.25	1.25	0.5	8.00
2015-16	7.0	1.5	0.5	9.00
2016-17	7.75	1.75	0.5	10.00
2017-18	7.75	1.75	0.5	10.00
2018-19	7.95	4.25	0.5	12.70
2019-20	8.05	5.5	0.75	14.30
2020-21	8.15	6.75	0.75	15.65
2021-22	8.25	8.0	0.75	17.00

From the above, it transpires that there is a substantial requirement of wind power since the Commission has enhanced the Renewable Purchase Obligation in view of the requirement stipulated by the Government of India. Accordingly, the competitive bidding is initiated by the Petitioner GUVNL for procurement of 500 MW wind energy to enable its 4 distribution companies for meeting their RPO requirement of FY 2017-18 and FY 2018-19.

5.2. We, also note that the Petitioner had earlier filed Petition bearing No. 1682 of 2017 seeking approval of the Competitive Bidding Process (followed by reverse e-auction) initiated by the Petitioner for procurement of 500 MW power from grid connected Wind power projects in Gujarat as the same was consistent with the MNRE's Draft Guidelines F. No. 238/2017. In this regard, the relevant observations of the Commission in the Order dated 6.10.2017 in the aforesaid Petition are as follows:

"9.1. We note that the preamble of the Act, provides for promotion of competition in the electricity industry, protection of consumer interest and promotion of efficient and environment benign policies. The procurement of power is permissible under Section 62 or 63 of the Electricity Act, 2003.

9.2. We further note that the National Electricity Policy 2005 as well as Tariff Policy 2016 also provide for procurement of energy through competitive bidding process. While Section 61 and 62 of the Electricity Act, 2003 empower the State Commissions to specify the terms and conditions for determination of tariff for generation, transmission, distribution and supply of electricity in their State, Section 63 provides for adoption of tariff by the appropriate Commission if such tariff is discovered through transparent bidding carried out by the licensee in accordance with the guidelines issued by the Central Government. All the three Sections are reproduced below:

"61. The Appropriate Commission shall, subject to the provisions of this Act, specify the terms and conditions for the determination of tariff, and in doing so, shall be guided by the following, namely:-

(a) the principles and methodologies specified by the Central Commission for determination of the tariff applicable to generating companies and transmission licensees;

(b) the generation, transmission, distribution and supply of electricity are conducted on commercial principles;

(c) the factors which would encourage competition, efficiency, economical use of the resources, good performance and optimum investments;

(d) safeguarding of consumers' interest and at the same time, recovery of the cost of

electricity in a reasonable manner;

(e) the principles rewarding efficiency in performance;

(f) multi year tariff principles; (g) that the tariff progressively reflects the cost of supply of electricity and also, reduces and eliminates cross-subsidies within the period to be specified by the Appropriate Commission;

(h) the promotion of co-generation and generation of electricity from renewable sources of energy;

(i) the National Electricity Policy and tariff policy:

Provided that the terms and conditions for determination of tariff under the Electricity (Supply) Act, 1948, the Electricity Regulatory Commission Act, 1998 and the enactments specified in the Schedule as they stood immediately before the appointed date, shall continue to apply for a period of one year or until the terms and conditions for tariff are specified under this section, whichever is earlier.

62. (1) The Appropriate Commission shall determine the tariff in accordance with provisions of this Act for –

(a) supply of electricity by a generating company to a distribution licensee:

Provided that the Appropriate Commission may, in case of shortage of supply of electricity, fix the minimum and maximum ceiling of tariff for sale or purchase of electricity in pursuance of an agreement, entered into between a generating company and a licensee or between licensees, for a period not exceeding one year to ensure reasonable prices of electricity;

(b) transmission of electricity ;

(c) wheeling of electricity;

(d) retail sale of electricity.

Provided that in case of distribution of electricity in the same area by two or more distribution licensees, the Appropriate Commission may, for promoting competition

among distribution licensees, fix only maximum ceiling of tariff for retail sale of electricity.

(2) The Appropriate Commission may require a licensee or a generating company to furnish separate details, as may be specified in respect of generation, transmission and distribution for determination of tariff.

(3) The Appropriate Commission shall not, while determining the tariff under this Act, show undue preference to any consumer of electricity but may differentiate according to the consumer's load factor, power factor, voltage, total consumption of electricity during any specified period or the time at which the supply is required or the geographical position of any area, the nature of supply and the purpose for which the supply is required.

(4) No tariff or part of any tariff may ordinarily be amended more frequently than once in any financial year, except in respect of any changes expressly permitted under the terms of any fuel surcharge formula as may be specified.

(5) The Commission may require a licensee or a generating company to comply with such procedures as may be specified for calculating the expected revenues from the tariff and charges which he or it is permitted to recover.

(6) If any licensee or a generating company recovers a price or charge exceeding the tariff determined under this section, the excess amount shall be recoverable by the person who has paid such price or charge along with interest equivalent to the bank rate without prejudice to any other liability incurred by the licensee.

63. Notwithstanding anything contained in Section 62, the Appropriate Commission shall adopt the tariff if such tariff has been determined through transparent process of bidding in accordance with the guidelines issued by the Central Govt."

9.3. The National Tariff Policy, 2016 formulated by the Ministry of Power has given specific guidance on purchase of power generated from renewable energy sources.

Clause 6.4(2) of the said policy provides as under:

"States shall endeavor to procure power from renewable energy sources through competitive bidding to keep the tariff low, except from the waste to energy plants. Procurement of power by Distribution Licensee from renewable energy sources, above the notified capacity, shall be done through competitive bidding process, from the date to be notified by the Central Government. However, till such notification, any such procurement of power from renewable energy sources Projects, may be done under Section 62 of the Electricity Act, 2003."

Thus, the aforesaid policy also provides for procurement of power through competitive bidding by the distribution licensees.

9.4. We further note that the Government of Gujarat notified the Wind Power Policy 2016 which also envisaged the procurement of power through competitive bidding process, the relevant portion of the same is reproduced below:

"Obligated entities may purchase wind power to fulfil their RPO at the tariff determined by GERC or rate discovered through competitive bidding."

...

9.6. The Commission has passed Order No. 2 of 2016 dated 30.08.2016, and decided about the procurement of energy through competitive bidding process as under:

....."The Commission has observed that, as per the provisions of the Tariff Policy, procurement from renewable energy projects by distribution licensees is recommended through competitive bidding to keep the tariff low. However, such procurement has to be done through competitive bidding from the date of such notification by the Central Government.

In view of above, the Commission decides that the distribution licensees may procure

electricity from the Wind Power Projects at the tariff determined by the Commission under Section 62 of the Act under this order or may carry out competitive bidding for procurement of electricity from wind power projects through transparent process of bidding under Section 63 of the Act. The distribution licensees may approach the Commission for adoption of tariff discovered through competitive bidding process. In such case, the tariff determined by the Commission in this order will act as a ceiling tariff."

9.7. From the above we are of view that the competitive bidding initiated by the Petitioner is in compliance of provisions of Act, as well as the policy and order of the Commission.

9.8. Further, MNRE has issued Draft Guidelines F. No. 238/1/2017 for Procurement of Wind Power through Competitive Bidding. Clause 5.1 (c) of the said Draft Guidelines provides as under:

i. However, till the time the SBDs are notified by the Central Government, for purpose of clarity, if the Procurer while preparing the draft RfS, draft PPA, draft PSA and other Project agreements provides detailed provisions that are consistent with the Guidelines, such detailing will not be considered as deviations from these Guidelines even though such details are not provided in the Guidelines.

ii. Further, in case of an ongoing bidding process, if the bids have already been submitted by bidders prior to the notification of these Guidelines and/or SBDs, then if there are any deviations between these Guidelines and/or the SBDs and the proposed RfS, PPA, PSA (if applicable), the RfS, PPA and the PSA shall prevail.

....

9.10. We note that the requirement of wind energy by the aforesaid distribution licensees/GUVNL for FY 2017-18 and FY 2018-19 is 3344 MUs and 3546 MUs respectively. We further note that GUVNL has been unable to achieve the RPO during various years upto FY 2016-17 due to less addition of wind capacity or non-signing of the PPAs by the wind generators with GUVNL in different years. We also note that during FY 2016-17 GUVNL has signed the PPAs with the WTGs at preferential tariff and also at the tariff discovered under SECI's first competitive bidding process for more than 1100 MW capacity. However, the aforesaid capacity would still not be sufficient to meet the RPO of FY 2017-18 and FY 2018-19 considering the SCODs of various projects. Therefore, the Petitioner has initiated procurement of 500 MW energy generated from WTGs through competitive bidding process. The Commission has stipulated the wind RPO and the Wind Energy required for fulfilment of RPO by the distribution licensees and accordingly, for compliance of the same the bidding process is initiated by GUVNL for and on behalf of these distribution licensees. Hence, we are of view that the procurement of 500 MW wind energy through competitive bidding initiated by the Petitioner seems valid. Therefore, we decide to approve the quantum of 500 MW wind energy procurement initiated by the Petitioner.

...

9.17. The Commission through letter dated 20.07.2017 had conveyed the Petitioner that the Commission under Section 63 read with Section 86 (1) (b) of the Electricity Act 2003 is mandated to regulate the procurement of power by Distribution Utilities and advised the Petitioner to get appropriate regulatory approval from the Commission by filing Petition under GERC (Conduct of Business Regulations), 2004. In response, the Petitioner through letter dated 21.07.2017 had assured the Commission that the Petitioner shall file a Petition before the Commission for approval and adoption of tariff discovered through

Competitive Bidding Process prior to signing the PPAs with the Successful Bidders as envisaged under Section 63 read with Section 86 (1) (b) of the Electricity Act 2003.

9.18. We also note that the Petitioner had further extended the last date of bid submission by 2 more weeks i.e. upto 08.08.2017 and Technical Bid Opening was re-scheduled to 10.08.2017, on account of persistent requests from various Wind Power Project Developer(s) / Prospective Bidders for further extension in bid deadline citing reasons like lack of preparedness, paucity of time, challenges in identification of land, inaccessibility of various sites due to heavy monsoon, etc., and in the interest of having better competition and have competitive rates. Thus, the Petitioner has given sufficient time to the bidders by extending the time limit from time to time to allow more participation in the bidding process.

9.19. We also note that the Commission vide letter dated 05.08.2017 directed the Petitioner to get prior approval of the Commission by filing Petition before the Commission. In compliance to the aforesaid directive the Petitioner has filed the present petition for approval of competitive bidding process (followed by reverse e-auction) initiated by it for procurement of 500 MW grid connected wind projects. Thus, by filing the present petition the Petitioner has complied with the directives given by the Commission vide letter dated 5.08.2017. We also note that the Petitioner extended the Bid Deadlines upto 09.10.2017 for the time being. Thus, the prospective bidders have been given an opportunity to participate in the biding process by submitting their bids on or before 9.10.2017.

9.20. We also note that the MoP has fixed a target of 175 GW of RE Power by 2022 of which 60 GW for Wind Power shall be procured as per the "Guidelines for development of Onshore Wind Power Projects" issued by MNRE vide notification F.No.66/183/2016-WE, dated 22.10.2016. For achieving the ambitious target of 60 GW of Wind Power,

capacity additions from wind energy has to be increased from the present level but the tariff at which such energy is bought also matters and hence competitive bidding is the need of the hours. Further, we are of view that the competitive bidding initiated by the SECI Phase II has given encouraging results by discovery of substantially lower tariff. Hence, the Commission is of the view that the bidding process initiated by GUVNL shall also fetch such competitive rate which will be beneficial to the licensees as well as the consumers of the State and will enable it to achieve the RPO target of 7.95% set by the Commission for 2018-19.

10. In view of the above the present petition succeeds. We approve the competitive bidding process initiated by the Petitioner under Section 63 read with Section 86 (1) (b) of the Act and also grant in principle approval to the bid documents (RfP and PPA and Addendums to it) issued by the Petitioner after pre-bid conference with the prospective bidders. We direct the Petitioner to submit the details of the bidding process, bid evaluation report etc. and also approach the Commission for adoption of the discovered tariff and approval of PPA after successful completion of the competitive bidding process.

5.3. The "Guidelines for Tariff Based Competitive Bidding Process for Procurement of Power From Grid Connected Wind Power Projects" by Ministry of Power, Government of India was finalized on 8.12.2017. The said guidelines at Clause 5.1 (c) (ii), also recognized and provided that in case of an ongoing bidding process, if the bids have already been submitted by bidders prior to notification of bidding guidelines, and/or SBDs in that case if there are any deviations between these guidelines and/or SBDs and the proposed RfS, PPA, PSA, the RfS, PPA and the PSA shall prevail. The relevant portion of Clause 5.1 is reproduced below:

"...

5.1. Bid Documentation:

a) Prepare the bid documents in accordance with these Guidelines and Standard Bidding Documents (SBDs) [consisting of Model Request for Selection (RfS) Document, Model Power Purchase Agreement and Model Power Sale Agreement], notified by the Central Government, except as provided in sub clause (c) below.

b) Inform the Appropriate Commission about the initiation of the bidding process.

c) Seek approval of the Appropriate Commission for deviations, if any, in the draft RfS draft PPA, draft PSA (if applicable) from these Guidelines and/ or SBDs, in accordance with the process described in Clause 22 of these Guidelines.

i. However, till the time the SBDs are notified by the Central Government, for purpose of clarity, if the Procurer while preparing the draft RfS, draft PPA, draft PSA and other Project agreements provides detailed provisions that are consistent with the Guidelines, such detailing will not be considered as deviations from these Guidelines even though such details are not provided in the Guidelines.

ii. Further, in case of an ongoing bidding process, if the bids have already been submitted by bidders prior to the notification of these Guidelines and/or SBDs, then if there are any deviations between these Guidelines and/or the SBDs and the proposed RfS, PPA, PSA (if applicable), the RfS, PPA and the PSA shall prevail.

5.4. Further, we also note that the Petitioner after floating of the tender had published the Notice Inviting Tender in one Gujarati newspaper viz. Gujarat Samachar and two English newspapers viz. Indian Express and Times of India on 16.6.2017. A pre-bid meeting was held on 29.6.2017 and queries raised by the prospective bidders were addressed. Pursuant to pre-bid meeting, Addendums including Minutes of Meeting were hosted on its website incorporating revised clauses considering the views/comments of the prospective bidders. The Petitioner also extended the bid deadline by 2 weeks i.e. upto 24.7.2017 to ensure wider participation and on requests from various prospective bidders. Thereafter, also on

account of persistent request from various Wind Power Project Developer(s)/Prospective Bidders for further extension in bid deadline citing the reasons like lack of preparedness, paucity of time, challenges in identification of land, inaccessibility of various sites due to monsoon etc. the Petitioner further extended the last date for bid submission by 2 more weeks i.e. upto 8.8.2017. Further, as noted above, the Petitioner had also approached the Commission for approval of the Competitive Bidding Process by filing Petition No. 1682 of 2017 and further extended the bid deadline to 7.11.2017.

5.5. Subsequently, the technical bid was opened on 8.11.2017 in the presence of Bid Evaluation Committee consisting of following officials:

Sr.	Name	Designation

Therefore, the committee decided that the financial bid of above qualified bidders may be opened by GUVNL.

..... "

5.7. From the Technical Evaluation Report it is apparent that 18 bidders offering capacity of 2119.80 MW were found responsive and hence were qualified for opening of their financial bids. The financial bids of 18 bidders were opened on 21.12.2017 on TCIL's portal in the presence of Bid Evaluation Committee. As per the eligibility criteria mentioned in the RfS documents for qualification of e-reverse auction, 12 bidders with capacity aggregating to 1527.4 MW were shortlisted for e-reverse auction. In the e-reverse auction following price was discovered at the closure of e-reverse auction on TCIL portal as per the e-report generated at TCIL's portal:

5.8. The Petitioner conducted e-reverse auction on bucket filing concept, and accordingly, following bidders emerged as successful at the respective rates quoted by them finally at the time of closure of reverse auction:

No.	Successful Bidder	Quoted Capacity (MW)	Tariff (Rs./kWh)	Rank	Allocated Capacity (500 MW)	PPA signed on
1	Sprng Energy Pvt. Ltd.	197.5	2.43	L1	197.5	11.01.2018

8	SJVN Limited	50	2.43		38	30.1.2018

5.9. We note that the Petitioner has issued Letter of Award (LoA) as well as signed the PPAs with the successful bidders as per the terms and conditions of the tender.

5.10. From the above we observe the benefit of competitive bidding as the price discovered under this process is very attractive (in fact, lowest till date in the Country) and beneficial to the licensee as well as the consumers of the licensees. We note that the present Petition has been filed by the Petitioner under Section 63 read with Section 86 (1) (b) of the Act for adoption of tariff discovered under the competitive process, hence it is necessary to refer the said Sections which are reproduced below:

"Section 63 Determination of tariff by bidding process-

Notwithstanding anything contained in section 62, the Appropriate Commission shall adopt the tariff if such tariff has been determined through transparent process of bidding in accordance with the guidelines issued by the Central Government;"

The above Section provides that whenever competitive bidding is carried out under Section 63 of the Act in accordance with the guidelines issued by the Central Government, the tariff discovered under such bidding needs to be adopted by the Commission.

Section 86(1) The State Commission shall discharge the following functions, namely:

-

(b) regulate electricity purchase and procurement process of distribution licensees including the price at which electricity shall be procured from the generating companies or licensees or from other sources through agreements for purchase of power for distribution and supply within the State.

The above Section provides that the distribution licensee's power procurement is to be regulated by the State Commission. Hence, whenever power procurement is done by the distribution licensee, the Commission has to regulate the same.

5.11. As recorded earlier, we are of the view that the bidding process is carried out by the Petitioner in a transparent manner, the Petitioner ensured wider participation and competition by extending the bid submission timeline from time to time on request from the prospective bidders and the Petitioner had also incorporated necessary changes suggested by the prospective bidders in pre-bid conference by issuing addendum to the bid documents.

5.12. As the Bid Evaluation Committee evaluated the technical bids and declared 18 bidders as qualified for opening the financial bids, their financial bids were opened and e-reverse auction was conducted as per the eligibility criteria mentioned in the RfS document in respect of 12 eligible bidders for capacity aggregating to 1527.4 MW. Thus, the process of bidding conducted by the Petitioner appears legal and valid and therefore, we accord our approval for the competitive bidding process conducted by the Petitioner for procurement of 500 MW power from the grid connected Wind power projects.

5.13. We observe that the tariff discovered under the competitive bidding process is substantially lower as compared to the generic tariff determined by the Commission vide Order No. 2 of 2016 dated 30.8.2016. We, therefore, decide to adopt the tariff in respect of successful bidders as mentioned in Para 5.8 hereinabove discovered under Competitive Bidding conducted by the Petitioner under Section 63 of the Electricity Act, 2003 for procurement of 500 MW power from the grid connected Wind power projects. We also decide and direct the Petitioner to host the PPAs on its websites for at least 30 days for knowledge of the stakeholders.

6. We order accordingly.

7. With this order the present petition stands disposed of.

SUBMISSIONS IN PURSUANCE TO THE DAILY ORDER DATED 16.04.2024

MOST RESPECTFULLY SHOWETH:

1. That the Petitioner has filed the present petition for approval of Tripartite PPA dated 25.01.2024 amongst M/s. K P Energy Ltd., and M/s. Evergreen Mahuva Windfarms Pvt. Ltd. and GUVNL for purchase of power from 30MW Wind Projects at fix tariff Rs. 2.43/Unit, tied up under competitive bidding process conducted through RfS dated 15.06.2017 (Phase-I).

2. The Hon'ble Commission has passed the Daily Order dated 16.04.2024. In Para 2.1, the Hon'ble Commission had recorded the submissions of Counsel for Petitioner i.e. GUVNL which may not be entirely accurate. It is respectfully submitted that the submission of Counsel was that since the present PPA is on the

same tariff as earlier PPA which had been approved by the Hon'ble Commission, public notice is not required; however GUVNL would comply with the directions of the Hon'ble Commission if directed to issue public Notice. The Hon'ble Commission had thereafter directed GUVNL to issue the public notice.

3. In daily order passed on 16.04.2024, Hon'ble Commission has directed petitioner to issue a public advertisement in two daily Gujarati & one English daily newspapers having wide circulation in the state and also upload the present petition with all relevant documents on their website and invite comments/ suggestions/ objections from the stakeholders on affidavit within 3 weeks from date of issue of public notice.

4. At the hearing on 14.03.2024, the Hon'ble Commission had indicated that 15 days' time may be granted for inviting comments/suggestions/objections.

5. It is to humbly submit that, pursuant to hearing on 14.03.2024 GUVNL has published public advertisement having wide circulation in all Gujarat, one in daily English Newspaper named "Indian Express" and two in daily Gujarati Newspapers named "Divya Bhaskar" & "Sandesh" on 15.03.2024 regarding petition for approval of Tripartite PPA dated 25.01.2024 amongst M/s. K P Energy Ltd., M/s. Evergreen Mahuva Windfarms Pvt. Ltd. and GUVNL for purchase of power from 30 MW Wind Projects at fixed tariff of Rs. 2.43/Unit, tied up under competitive bidding process conducted through RfS dated 15.06.2017 (Phase-I) to invite comments/ suggestions/ objections from the stakeholders on affidavit within 15 days from date of issue of public notice.

6. The Copies of the relevant newspapers dated 15.03.2024 are marked as Annexure – I, II and III are submitted herewith for perusal of the Hon'ble Commission.

7. Further, as per directives of Hon'ble GERC, GUVNL has also uploaded the present petition with all relevant documents on 15.03.2024 in the Notice section of its website www.guvnl.com for 4 weeks to enable the interested Stakeholders to download it and file their comments / suggestions to the Petition, if any. Copies of e-mails for upload and subsequent removal from GUVNL's website are marked as Annexure – IV and V are submitted herewith for perusal of the Hon'ble Commission.

8. It is humbly submitted that GUVNL has not received any comments / suggestions from any stakeholders, till date.

9. It is stated that the Notice in the newspaper had considered the period of 15 days as indicated in the hearing. However the Daily Order now states the period of 3 weeks. It is submitted that GUVNL had already issued public notice pursuant to

the hearing with a period of 15 days and at this stage, issuance of another notice would not serve any purpose. GUVNL had not received any comments/suggestions not only within 15 days but also thereafter and it has been more than a month since the issuance of notice. Further GUVNL had placed the present petition on its website for four weeks as submitted hereinabove. Therefore it is requested that the Hon'ble Commission may consider the above notice as compliance of the Daily Order.

10. In view of the above, it is respectfully submitted that the Hon'ble Commission may take the submissions in Para 2 and 9 on record in regard to the Daily order dated 16.04.2024.

Punjab man booked for trying to send 500g of opium to New Zealand via courier

PRESS TRUST OF INDIA
GURGAON, MARCH 14

A MAN from Punjab was booked for allegedly attempting to transport over 500 grams of opium to New Zealand via courier, police here said on Thursday.

Opium packets weighing 589 grams were found hidden in boxes containing cosmetic products and clothes, Gurugram Police said.

The state Narcotics Control Bureau received information on Wednesday about a parcel allegedly containing illegal drugs which was to be sent to New Zealand.

Virendra Singh, Security Investigation Officer of the courier company in Udyog Vihar area, grew suspicious about the parcel during routine scanning formalities, police said.

According to the complaint filed by ASI Sandeep Kumar of Haryana SNCB, the parcel was opened and checked in front of Virendra Gupta, additional excise and taxation officer.

Opium packets weighing 589 grams were found hidden in boxes containing cosmetic products and clothes, ASI Singh said in his complaint "On checking the details of the parcel, it was found that Mandeep Singh, a resident of Karhali village in Patiala district in Punjab, had sent this parcel. It was to be sent to Kuldeep Singh in South Street Papakura, New Zealand," Singh said.

An FIR has been lodged at Udyog Vihar Police Station on Wednesday under Section 18 (c) of the Narcotic Drugs and Psychotropic Substances (NDPS) Act, police said.

The parcel has been seized and police are investigating the matter, a senior police official said.

Assault on Major, jawans: Dhaba sealed, police appreciate Army 'restraint'

MAN AMAN SINGH CHHINA
CHANDIGARH, MARCH 14

A DHABA in Ropar, where an Army Major and his fellow soldiers, were brutally beaten up by the eatery's workers and its owner on Monday, has been sealed and four accused have been arrested, Punjab Police Thursday said.

Those arrested include Alpine Dhaba owners's son Jaikar Singh, manager Manpreet Singh and two waiters – Rajnish Kumar and Tanai Kumar, police said, adding they have identified five more accused persons and raids are being conducted to nab them. The Alpine Dhaba has also been sealed for investigations, they said.

Six Army personnel, who had suffered injuries in the incident were given first aid at Ropar and later transferred to Command Hospital at Chandimandir. The police statement said the Army personnel showed remarkable restraint in not escalating the issue. As per the statement, Punjab Police along with state and district administration are working at the highest level to ensure speedy action in this case. "Army authorities have been kept informed of all the developments and deep appreciation has been conveyed for the restraint shown by the soldiers during the unprovoked assault on them," it said.

It further said that the state government and Punjab Police assures the Army of its commitment towards the well being of all soldiers in the state. "The state government has the highest regards for Army persons and holds the Army in high regard. The Punjab Police also empathizes with the injured persons and assures them of bringing the miscreants to book," the statement said.

As reported first by *The Indian Express*, a Major and his team of 16 jawans were brutally attacked by the owner and workers of the Alpine dhaba, located on the Manali-Ropar road in Punjab. The Major and some jawans suffered serious injuries.

As per the FIR registered Tuesday, the incident took place Monday when Major Sachin Singh Kuntal and his troops from Ladakh Scouts were returning from Pathan near Manali in Himachal Pradesh after winning a snow marathon held in Lahaul the previous day.

The team of soldiers, headed for Chandimandir, stopped at the dhaba for dinner. According to the FIR, there was an altercation between the soldiers and the dhaba owner over the mode of payment of the bill, as the latter insisted on cash payment to avoid taxation. The soldiers paid the bill through a digital transaction, but the owner insisted on cash payment and upon refusal by the Major, a group of around 30-35 people pounced on the officer and his jawans and beat them up with lathis, sticks and iron rods, said the police.

A case has been registered under sections 307 (attempt to murder), 323 (voluntarily causing hurt), 341 (wrongful restraint), 506 (criminal intimidation), 148 (rioting, being armed with a deadly weapon) and 149 (unlawful assembly) of the Indian Penal Code (IPC) at the Kiratpur Sahib Police Station. Later based on further evidence a supplementary FIR had been lodged under Section 397 of the IPC as also naming prime suspects.

ED attaches properties of former minister Dharamsot

PRESS TRUST OF INDIA
NEW DELHI, MARCH 14

THE ENFORCEMENT Directorate (ED) has provisionally attached properties to the tune of Rs 4.58 crore of Punjab Congress leader and former minister Sadhu Singh Dharamsot and his sons under the provisions of the anti-money laundering law.

The ED investigation under the Prevention of Money Laundering Act (PMLA) found that Dharamsot, during the period from March 1, 2016 to March 31, 2022, which includes his tenure as forest minister in Punjab, has acquired assets disproportionate to the known sources of income of his and his sons, the federal agency said in a statement.

The ED, Jalandhar, has provisionally attached various properties to the tune of Rs 4.58 crore of Sadhu Singh Dharamsot on March 13, 2024, which are owned by him and his sons, under the provisions of the PMLA, it said. The attachment includes four immovable properties consisting of two residential plots, one constructed residential house and one residential flat in Punjab along with immovable and movable properties including bank balances and investments in mutual funds.

The ED initiated investigation on the basis of an FIR registered by the Punjab vigilance bureau under the Prevention of Corruption Act, 1988.

During the investigation conducted by the ED, it was found that Dharamsot has acquired disproportionate assets through the proceeds of crime relating to the scheduled offences to the tune of Rs 6.34 crore.

Further investigation is under progress, the ED said.

DAY TODAY

BY PETER VIDAL

ARIES (Mar 21 - Apr 20)
As the Sun moves through its current position, it links up with a series of planets involved in professional and worldly ambitions in your career house. All hard-working and capable Arians are about to benefit financially from their past efforts.

TAURUS (Apr 21 - May 21)
The only chance of explosive situations this week has now passed. The planets are in a relaxed and friendly disposition, allowing you to adopt a well-known Taurean posture in which you do as little as possible. Why don't you minimise onerous responsibilities?

GEMINI (May 22 - June 21)
The Sun is shedding fresh light on parts of your psyche that other planets fail to reach. I would expect this to be a period which is punctuated by rather strange dreams, themselves the result of mysterious healing processes in your unconscious mind.

CANCER (June 22 - July 23)
One very subtle planetary movement today may have no recognisable results until another week has passed. However, you may like to know now that relationships at work are about to become warmer and more friendly. You may also be lined up for an extra community responsibility.

LEO (July 24 - Aug 23)
The whole point about today's ambitious, emotional and businesslike lunar alignments is that you will do best by following an entirely un-Leonine course of reserve and caution. The last thing you want is for domestic disagreements to flare up again.

VIRGO (Aug 24 - Sep 23)
There is about to be a battle for supremacy between the Moon and Venus, two highly emotional planets. The result may be a certain amount of hysteria, and you may be as responsible for this as anyone else. Keep an eye on reckless and explosive feelings.

LIBRA (Sep 24 - Oct 23)
Work away quietly behind the scenes on others' behalf. If you are doing more than your fair share, please don't feel hard done by or exploited. It is your destiny to put in more than you take out at the moment, so it's only to be expected that you might feel unappreciated.

SCORPIO (Oct 24 - Nov 23)
The best that can be said about your current stars is that they favour personal pleasures, hedonism and decadence. On the other hand, you usually take your leisure pursuits so seriously that you may pass over certain wild possibilities. What can we say except that you're as complicated as ever.

SAGITTARIUS (Nov 24 - Dec 22)
You'll be wearing your affections on your sleeve today. Other people are likely to notice this and certain among them will look to you to provide them with security. Your emotional associates will be trying to turn you into some sort of mother hen.

CAPRICORN (Dec 23 - Jan 20)
You have spent too much time pondering the future. Now perhaps you should get on and make it a reality. Jupiter and Saturn are about to link up with other planets to form another key relationship in your long-term cycle, one which could shake you to your foundations.

AQUARIUS (Jan 21 - Feb 19)
No one can tell you more about yourself than you. Yet you often seem determined to ignore the helpful advice that other people offer, even when you are wrong. Listen very carefully to anyone, and notice all those small but significant words of wisdom.

PISCES (Feb 20 - Mar 20)
Life is full of strange twists. What seemed like a financial reversal or climb-down may turn out to be just the opposite. Hopefully a promised windfall will materialise before long, although I am afraid that the size of such a reward is impossible to forecast.

DAY TODAY

BY PETER VIDAL

ARIES (Mar 21 - Apr 20)
As the Sun moves through its current position, it links up with a series of planets involved in professional and worldly ambitions in your career house. All hard-working and capable Arians are about to benefit financially from their past efforts.

TAURUS (Apr 21 - May 21)
The only chance of explosive situations this week has now passed. The planets are in a relaxed and friendly disposition, allowing you to adopt a well-known Taurean posture in which you do as little as possible. Why don't you minimise onerous responsibilities?

GEMINI (May 22 - June 21)
The Sun is shedding fresh light on parts of your psyche that other planets fail to reach. I would expect this to be a period which is punctuated by rather strange dreams, themselves the result of mysterious healing processes in your unconscious mind.

CANCER (June 22 - July 23)
One very subtle planetary movement today may have no recognisable results until another week has passed. However, you may like to know now that relationships at work are about to become warmer and more friendly. You may also be lined up for an extra community responsibility.

LEO (July 24 - Aug 23)
The whole point about today's ambitious, emotional and businesslike lunar alignments is that you will do best by following an entirely un-Leonine course of reserve and caution. The last thing you want is for domestic disagreements to flare up again.

VIRGO (Aug 24 - Sep 23)
There is about to be a battle for supremacy between the Moon and Venus, two highly emotional planets. The result may be a certain amount of hysteria, and you may be as responsible for this as anyone else. Keep an eye on reckless and explosive feelings.

LIBRA (Sep 24 - Oct 23)
Work away quietly behind the scenes on others' behalf. If you are doing more than your fair share, please don't feel hard done by or exploited. It is your destiny to put in more than you take out at the moment, so it's only to be expected that you might feel unappreciated.

SCORPIO (Oct 24 - Nov 23)
The best that can be said about your current stars is that they favour personal pleasures, hedonism and decadence. On the other hand, you usually take your leisure pursuits so seriously that you may pass over certain wild possibilities. What can we say except that you're as complicated as ever.

SAGITTARIUS (Nov 24 - Dec 22)
You'll be wearing your affections on your sleeve today. Other people are likely to notice this and certain among them will look to you to provide them with security. Your emotional associates will be trying to turn you into some sort of mother hen.

CAPRICORN (Dec 23 - Jan 20)
You have spent too much time pondering the future. Now perhaps you should get on and make it a reality. Jupiter and Saturn are about to link up with other planets to form another key relationship in your long-term cycle, one which could shake you to your foundations.

AQUARIUS (Jan 21 - Feb 19)
No one can tell you more about yourself than you. Yet you often seem determined to ignore the helpful advice that other people offer, even when you are wrong. Listen very carefully now, and notice all those small but significant words of wisdom.

PISCES (Feb 20 - Mar 20)
Life is full of strange twists. What seemed like a financial reversal or climb-down may turn out to be just the opposite. Hopefully a promised windfall will materialise before long, although I am afraid that the size of such a reward is impossible to forecast.

ARIES (Mar 21 - Apr 20)
As the Sun moves through its current position, it links up with a series of planets involved in professional and worldly ambitions in your career house. All hard-working and capable Arians are about to benefit financially from their past efforts.

TAURUS (Apr 21 - May 21)
The only chance of explosive situations this week has now passed. The planets are in a relaxed and friendly disposition, allowing you to adopt a well-known Taurean posture in which you do as little as possible. Why don't you minimise onerous responsibilities?

GEMINI (May 22 - June 21)
The Sun is shedding fresh light on parts of your psyche that other planets fail to reach. I would expect this to be a period which is punctuated by rather strange dreams, themselves the result of mysterious healing processes in your unconscious mind.

CANCER (June 22 - July 23)
One very subtle planetary movement today may have no recognisable results until another week has passed. However, you may like to know now that relationships at work are about to become warmer and more friendly. You may also be lined up for an extra community responsibility.

LEO (July 24 - Aug 23)
The whole point about today's ambitious, emotional and businesslike lunar alignments is that you will do best by following an entirely un-Leonine course of reserve and caution. The last thing you want is for domestic disagreements to flare up again.

VIRGO (Aug 24 - Sep 23)
There is about to be a battle for supremacy between the Moon and Venus, two highly emotional planets. The result may be a certain amount of hysteria, and you may be as responsible for this as anyone else. Keep an eye on reckless and explosive feelings.

LIBRA (Sep 24 - Oct 23)
Work away quietly behind the scenes on others' behalf. If you are doing more than your fair share, please don't feel hard done by or exploited. It is your destiny to put in more than you take out at the moment, so it's only to be expected that you might feel unappreciated.

SCORPIO (Oct 24 - Nov 23)
The best that can be said about your current start is that they favour personal pleasures, hedonism and decadence. On the other hand, you usually take your leisure pursuits so seriously that you may pass over certain wild possibilities. What can we say except that you're as complicated as ever.

SAGITTARIUS (Nov 24 - Dec 22)
You'll be wearing your affections on your sleeve today. Other people are likely to notice this and certain among them will look to you to provide them with security. Your emotional associates will be trying to turn you into some sort of mother hen.

CAPRICORN (Dec 23 - Jan 20)
You have spent too much time pondering the future. Now perhaps you should get on and make it a reality. Jupiter and Saturn are about to link up with other planets to form another key relationship in your long-term cycle, one which could shake you to your foundations.

AQUARIUS (Jan 21 - Feb 19)
No one can tell you more about yourself than you. Yet you often seem determined to ignore the helpful advice that other people offer, even when you are wrong. Listen very carefully now, and notice all those small but significant words of wisdom.

PISCES (Feb 20 - Mar 20)
Life is full of strange twists. What seemed like a financial reversal or climb-down may turn out to be just the opposite. Hopefully a promised windfall will materialise before long, although I am afraid that the size of such a reward is impossible to forecast.

DAY TODAY

BY PETER VIDAL

ARIES (Mar 21 - Apr 20)
As the Sun moves through its current position, it links up with a series of planets involved in professional and worldly ambition in your career house. All hard-working and capable Aneins are about to benefit financially from their past efforts.

TAURUS (Apr 21 - May 21)
The only chance of explosive situations this week has now passed. The planets are in a relaxed and friendly disposition, allowing you to adopt a well-known Taurean posture in which you do as little as possible. Why don't you minimise onerous responsibilities?

GEMINI (May 22 - June 21)
The Sun is shedding fresh light on parts of your psyche that other planets fail to reach. I would expect this to be a period which is punctuated by rather strange dreams, themselves the result of mysterious healing processes in your unconscious mind.

CANCER (June 22 - July 23)
One very subtle planetary movement today may have no recognisable results until another week has passed. However, you may like to know now that relationships at work are about to become warmer and more friendly. You may also be lined up for an extra community responsibility.

LEO (July 24 - Aug 23)
The whole point about today's ambitious, emotional and businesslike lunar alignments is that you will do best by following an entirely un-Leonine course of reserve and caution. The last thing you want is for domestic disagreements to flare up again.

VIRGO (Aug 24 - Sep 23)
There is about to be a battle for supremacy between the Moon and Venus, two highly emotional planets. The result may be a certain amount of hysteria, and you may be as responsible for this as anyone else. Keep an eye on reckless and explosive feelings.

LIBRA (Sep 24 - Oct 23)
Work away quietly behind the scenes on others' behalf. If you are doing more than your fair share, please don't feel hard done by or exploited. It is your destiny to put in more than you take out at the moment, so it's only to be expected that you might feel unappreciated.

SCORPIO (Oct 24 - Nov 23)
The best that can be said about your current stars is that they favour personal pleasures, hedonism and decadence. On the other hand, you usually take your leisure pursuits so seriously that you may pass over certain wild possibilities. What can we say except that you're as complicated as ever.

SAGITTARIUS (Nov 24 - Dec 22)
You'll be wearing your affections on your sleeve today. Other people are likely to notice this and certain among them will look to you to provide them with security. Your emotional associates will be trying to turn you into some sort of mother hen.

CAPRICORN (Dec 23 - Jan 20)
You have spent too much time pondering the future. Now perhaps you should get on and make it a reality. Jupiter and Saturn are about to link up with other planets to form another key relationship in your long-term cycle, one which could shake you to your foundations.

AQUARIUS (Jan 21 - Feb 19)
No one can tell you more about yourself than you. Yet you often seem determined to ignore the helpful advice that other people offer, even when you are wrong. Listen very carefully now, and notice all those small but significant words of wisdom.

PISCES (Feb 20 - Mar 20)
Life is full of strange twists. What seemed like a financial reversal or climb-down may turn out to be just the opposite. Hopefully a promised windfall will materialise before long, although I am afraid that the size of such a reward is impossible to forecast.

DAY TODAY

BY PETER VIDAL

ARIES (Mar 21 - Apr 20)

As the Sun moves through its current position, it links up with a series of planets involved in professional and worldly ambitions in your career house. All hard-working and capable Arians are about to benefit financially from their past efforts.

TAURUS (Apr 21 - May 21)

The only chance of explosive situations this week has now passed. The planets are in a relaxed and friendly disposition, allowing you to adopt a well-known Taurean posture in which you do as little as possible. Why don't you minimise onerous responsibilities?

GEMINI (May 22 - June 21)

The Sun is shedding fresh light on parts of your psyche that other planets fail to reach. I would expect this to be a period which is punctuated by rather strange dreams, themselves the result of mysterious healing processes in your unconscious mind.

CANCER (June 22 - July 23)

One very subtle planetary movement today may have no recognisable results until another week has passed. However, you may like to know now that relationships at work are about to become warmer and more friendly. You may also be lined up for an extra community responsibility.

LEO (July 24 - Aug 23)

The whole point about today's ambitious, emotional and businesslike lunar alignments is that you will do best by following an entirely un-Leonine course of reserve and caution. The last thing you want is for domestic disagreements to flare up again.

VIRGO (Aug 24 - Sep 23)

There is about to be a battle for supremacy between the Moon and Venus, two highly emotional planets. The result may be a certain amount of hysteria, and you may be as responsible for this as anyone else. Keep an eye on reckless and explosive feelings.

LIBRA (Sep 24 - Oct 23)

Work away quietly behind the scenes on others' behalf. If you are doing more than your fair share, please don't feel hard done by or exploited. It is your destiny to put in more than you take out at the moment, so it's only to be expected that you might feel unappreciated.

SCORPIO (Oct 24 - Nov 23)

The best that can be said about your current status is that they favour personal pleasures, hedonism and decadence. On the other hand, you usually take your leisure pursuits so seriously that you may pass over certain wild possibilities. What can we say except that you're as complicated as ever.

SAGITTARIUS (Nov 24 - Dec 22)

You'll be wearing your affections on your sleeve today. Other people are likely to notice this and certain among them will look to you to provide them with security. Your emotional associates will be trying to turn you into some sort of mother hen.

CAPRICORN (Dec 23 - Jan 20)

You have spent too much time pondering the future. Now perhaps you should get on and make it a reality. Jupiter and Saturn are about to link up with other planets to form another key relationship in your long-term cycle, one which could shake you to your foundations.

AQUARIUS (Jan 21 - Feb 19)

No one can tell you more about yourself than you. Yet you often seem determined to ignore the helpful advice that other people offer, even when you are wrong. Listen very carefully now, and notice all those small but significant words of wisdom.

PISCES (Feb 20 - Mar 20)

Life is full of strange twists. What seemed like a financial reversal or climb-down may turn out to be just the opposite. Hopefully a promised windfall will materialise before long, although I am afraid that the size of such a reward is impossible to forecast.

શહેરના 7.90 લાખ વીજ ગ્રાહકોને મહિને રૂા.10 કરોડનો ફાયદો થશે

ચૂંટણી પહેલાં ઘટાડો : વીજ કંપની યુનિટ દીઠ 3.25ને બદલે 2.85 લેશે

સબ્રાઉન્ડ રિપોર્ટર | વડોદરા

લોકસભાની ચૂંટણી પૂર્વે કેન્દ્રની જેમ રાજ્ય સરકારે પણ રાહતનો પટારો ખોલ્યો છે. સરકારે વીજ ફ્યુઅલ સરચાર્જમાં 50 પૈસાનો ઘટાડો કરીને વીજ વપરાશકારોને રાહત આપી છે. શહેરના 7.90 લાખ ગ્રાહકોને મહિને રૂા.10 કરોડનો ફાયદો થશે. આચારસંહિતા લાગુ પડે એ પૂર્વે જ વીજ ફ્યુઅલ સરચાર્જ ઘટાડવાનો નિર્ણય લેવાયો છે. વખતોવખત સરચાર્જમાં વધારો ઝીંકાતો હોય છે. જોકે ચૂંટણી વર્ષ હોવાથી લાંબા વખતે ફ્યુઅલ સરચાર્જમાં ઘટાડો કરવામાં આવ્યો છે.

સુત્રો મુજબ ઓક્ટોબરથી ડિસેમ્બર દરમિયાન રાજ્ય હસ્તકની વીજ વિતરણ કંપનીએ ગ્રાહકો પાસેથી રૂા.3.35 પ્રતિ યુનિટનો ફ્યુઅલ સરચાર્જ વસૂલતો હતો. આંતરરાષ્ટ્રીય સ્તરે કોલસા અને ગેસના ભાવમાં ઘટાડાને પરિણામે એકંદરે વીજ ખરીદી ખર્ચમાં ઘટાડો થયો છે. જેને લઈને પાછલા ત્રિમાસિક ગાળાની સરખામણીએ ફ્યુઅલ સરચાર્જનો દરમાં ઘટાડો થયો છે. જાન્યુઆરીથી માર્ચ 2024ના ગાળામાં આ ફ્યુઅલ સરચાર્જ રૂ. 3.35 પ્રતિ યુનિટથી ઘટીને રૂ. 2.85 પ્રતિ યુનિટ થાય છે. વડોદરા શહેરના 7.90 લાખ વીજ ગ્રાહકો ઉપરાંત રાજ્યના 1.70 કરોડ ગ્રાહકોને ફાયદો થશે. ફ્યુઅલ સરચાર્જમાં 50 પૈસાના ઘટાડાના કારણે ગુજરાત ઊર્જા વિકાસ નિગમ લિમિટેડ હેઠળની ચારેય વીજ વિતરણ કંપનીઓના અંદાજે 1.70 કરોડ ગ્રાહકોને જાન્યુઆરીથી માર્ચ 2024ના ત્રિમાસિક ગાળામાં આશરે રૂ 1,340 કરોડનો લાભ થશે. જે રેસીડન્સ ગ્રાહકો દ્વારા માસિક 100 યુનિટનો વીજ વપરાશ કરવામાં આવે એવા કિસ્સામાં ભાવ ઘટાડાને કારણે અંદાજે રૂ.57-ની માસિક બચત થશે.

જુલાઈમાં 25 પૈસાનો વધારો કરાયો હતો

અગાઉ જુલાઈ માસમાં ફ્યુઅલ સરચાર્જમાં યુનિટ દીઠ 25 પૈસાનો વધારો થયો હતો ત્યારબાદ તાજેતરમાં કોલસા અને ગેસના ભાવ ઘટાડાના કારણે હાલ યુનિટ દીઠ 50 પૈસાનો ઘટાડો કરવામાં આવ્યો છે.ઘટાડાનો અમલ જાન્યુઆરી-2જથી ગણાશે.

અમદાવાદના બે પાસપોર્ટ સેવા કેન્દ્રો પર અરજદારો તડકે તપવા મજબૂર; ડોમ લગાવવા માગ ઊઠી

: અમદાવાદ :

ઉનાળાની શરૂઆત થતાં સર્વરના પાસપોર્ટ સેવા કેન્દ્રોમાં વ્યવસ્થાના અભાવે અરજદારો સહિત તેમના સગા સંબંધીઓને ગરમીની તીવ્રતા પરેશાન થવાનો વારો આવ્યો છે. વિજય ચાર રસ્તા પાસે તેમજ મીઠાખળી ચ રસ્તા પાસે આવેલા પાસપોર્ટ સેવા કેન્દ્ર પર યોગ્ય વ્યવસ્થાના અભાવે પાસપોર્ટને લગતા તેમજ રિન્યુ કરવા આવતાં અરજદારો સહિત તેમના સગાવહાલીઓને આવે ત્યારથી બોગવવી પડી રહી છે. જોકે આ અંગે પાસપોર્ટ ઓફિસ ખાતે મળેલી રજિયાદોને આધારે આ અંગે ઉચ્ચ અધિકારીઓને પણ રજૂઆત કરવામાં આવી હોવાનું પણ મુખે પાસેથી માહિતી મળી છે. જોકે ઉનાળાના સમયમાં અરજદારોને પાની લાગણીને દૂર કરવા માટે વ્યવસ્થા ઊભી થાય તેવી વિચારણા પણ પખત મની છે. છેલ્લાં કેટલા વર્ષોથી આ પાસપોર્ટ સેવા કેન્દ્રો ખાતે ઉનાળામાં આવતા અરજદારો અને તેમનાં સાથે આવતા પરિવારજનોને તડકે તપવાનો વારો આવતો હોય છે. પાર્કિંગની સાથે છાપરો સોપવા માટે સમયનો વેડફાટ પણ કરવો પડતો હોવાની રજિયાદો ઉઠી હતી હોય છે. આ સમસ્યાનો પ્રાપ્યો ઠેકેય આવે તેમજ ઉનાળાની તરમીથી રાહત મળે તે માટે કંપનીની બહાર ડોમ લગાવા અને પાણીની વ્યવસ્થા ઊભી કરવા રજૂઆતો કરાઈ છે. જોકે આ મામલે પાટોદિક પાસપોર્ટ કચેરીથી TCS અને દિલ્હી મંત્રાલય સુધી પણ સૂચન ઓકવામા હોવાનું પણ સૂત્રોથી જાણવા મળ્યું છે.

આયુર્વેદ-હોમિયોપથી સારવાર માટે હવે સોલા સિવિલ નહીં, હાઈકોર્ટ જવું પડશે !

અમદાવાદ : સોલા સિવિલ હોસ્પિટલ ખાતે આયુર્વેદ અને હોમિયોપથી ઓપીડીમાં સારવાર લેવા આવતાં દર્દીઓએ હવે હોસ્પિટલમાં નહીં પરંતુ ગુજરાત હાઈકોર્ટ ખાતે જવું પડશે કારણ કે સોલા સિવિલ ખાતે જ જવાનું રહેશે. સોલા સિવિલમાં કુલ્લરથી આ સેવા બંધ કરાઈ છે. હવેથી ગુજરાત હાઈકોર્ટ ખાતે ઊભી કરાયેલી મેડિકલ ફેસિલિટીમાં આ સેવાઓ પ્રવર્તન કરાઈ છે. સોલામાં આ બે વિભાગોમાં અંદાજે રોજના ૧૦૦ જેટલા દર્દીઓ સારવાર માટે આવતાં હોય છે.

ગુજરાત મેડિકલ એજ્યુકેશન એન્ડ રિસર્ચ સોસાયટી, ગાંધીનગરના વડપણ હેઠળ તાજેતરમાં જ ૧ માર્ચ ખિટિક વોરવામાં આવી હતી, જેમાં ગુજરાત હાઈકોર્ટ ખાતે મેડિકલ ફેસિલિટી ઊભી કરવા સોલા સિવિલ હોસ્પિટલના આયુ મેડિકલ ઓફિસર વર્ગ-૧ તથા હોમિયોપેથીના મેડિકલ ઓફિસર વર્ગ-૨ને કાળથી આવવાની નિર્દેશ વેવાયો હતો. જે પછી આ તબીબોને ગુજરાત હાઈકોર્ટ ખાતે ૬૨૫ જગ્યાવા માટે વિધિવત આદેશ કરાયો છે. સોલા સિવિલ હોસ્પિટલના સુપરિન્ટેન્ડન્ટ ડો. દીપિકાબહેન ચિથવરને આ અંગે પૂછતાં તેમણે જણાવ્યું હતું કે, સોલા સિવિલની હોમિયોપેથી અને આયુર્વેદની ઓપીડી હવેથી ગુજરાત હાઈકોર્ટના નેટ પાસે ઊભી કરાયેલી મેડિકલ ફેસિલિટી ખાતે શિફ્ટ કરાઈ છે. આ સંદર્ભે નિર્ણય કર્યો છે. ઉપરાંત્તમ છે કે, વર્ષ ૨૦૧૭માં સરકારી હોસ્પિટલે, જીએમઈઆરી અને બીએમઓ ખાતે નવામ પદ્ધર્ની વિકિત્સા પદ્ધતિનો પ્રારંભ થયો તે પાટે સરકારે નિર્ણય કર્યો હતો.

કેન્દ્ર સરકારે અશ્લીલ કન્ટેન્ટ આપતી વેબસાઈટ્સ, ઓટીટી પ્લેટફોર્મ્સ, એપ્સ અને સોશિયલ મીડિયા હેન્ડલ્સ સામે મોટી કાર્યવાહી કરી છે. માહિતી-પ્રસારણ મંત્રાલયે ૧૯ વેબસાઈટ, ૧૮ ઓટીટી પ્લેટફોર્મ, ૧૦ એપ અને ૫૭ સોશિયલ મીડિયા હેન્ડલ બ્લોક કરી દીધા છે. સરકાર દ્વારા તેમને સરવૈયર ચૈતવણી આપી હોવા છતાં તેમણે અશ્લીલ કન્ટેન્ટ આપવાનું ચાલુ રાખ્યું હતું. જે સોશિયલ મીડિયા હેન્ડલ્સ બ્લોક કરાયા છે તેમાં એક્સના ૧૩, ઈન્સ્ટાગ્રામના ૧૬ અને ફેસબુક તથા ફેસબુક આધારીત ૧૬ એપ્સ છે. આ વેબસાઈટ્સ, એપ્સ, પ્લેટફોર્મ્સ અને સોશિયલ મીડિયા એકાઉન્ટ્સ સામે આઈપીસીની કલમ ૨૯૨ (અશ્લીલ કન્ટેન્ટનું વેચાણ), ઈન્ફર્મેશન ટેકનોલોજી એક્ટ, ૨૦૦૦ની કલમ ૬૭ અને ૬૭એ તથા ઈન્ડિસન્ટ રિપ્રેઝન્ટેશન ઓફ વિમેન પ્રોહિબિશન એક્ટ, ૧૯૮૬ની કલમ ૪ હેઠળ આ કાર્યવાહી કરી છે.

જે એપ્સ સામે કાર્યવાહી થઈ છે તેમાં ગૂગલ પ્લે સ્ટોર પરની ડાલ અને અંધારા એપ સ્ટોર પરની વણ એપનો સમાવેશ થાય છે. તમામ ૫૭ સોશિયલ મીડિયા હેન્ડલ ડિસેમ્બર કરી દેવાયા છે. સરકાર દ્વારા જારી કરાયેલા નિર્દેશ મુજબ આ પ્લેટફોર્મ્સ પરનું મોટાભાગનું કન્ટેન્ટ અશ્લીલ હતું અને મહિલાઓનું ખરાબ ચિત્રણ કરાયું હતું. અહીં ટીયર-સ્ટ્રક્ચરના તથા પાવિચારિક લંબાઈને અશ્લીલ ઠીને રજૂ કરાયા હતા. ખોટું કરાયેલી એપ્સ પૈકી એક એપ એક કરોડથી વધુ વખત ડાઉનલોડ થયેલી હતી જ્યારે અન્ય બે એપ ૫૦-૫૦ લાખથી વધુ ડાઉનલોડ પરાવતી હતી. આ પ્લેટફોર્મ્સના સોશિયલ મીડિયા એકાઉન્ટ્સ પર સીન, ક્લિક પણ તેર કરાયા હતા, જેના કુલ ૩૨ લાખથી વધુ કોલોઅર્સ હતા.

રાજ્યપાલે કલેક્ટર્સ, DDO સાથે બેઠક યોજી

૯ લાખ ખેડૂતોએ પ્રાકૃતિક ખેતી શરૂ કરતા જમીનમાં ઝેર ઉતરતું અટક્યું

: અમદાવાદ :

રાજ્યપાલ આચાર્ય દેવવ્રત ગુરુવારે ગાંધીનગરમાં મુખ્યમંત્રી ભૂપેન્દ્ર પટેલની ઉપસ્થિતિમાં તમામ જિલ્લા કલેક્ટરો અને DDO સાથે પ્રાકૃતિક કૃષિ વિતેન બેઠક યોજી હતી. જેમાં તેમણે ગુજરાતમાં અત્યાર સુધીમાં નવ લાખ ખેડૂતોએ પ્રાકૃતિક ખેતી શરૂ કર્યાનું જણાવ્યું હતું. જેના કારણે ધરતીમાં ઉતરતું રાસાયણિક ઝેર ઘટ્યું છે. એક જ વર્ષમાં રાસાયણિક ખાતર એટલે કે યુરિયાના વપરાશમાં ૩,૦૮,૭૪૮ મેટ્રિક ટન ઘટાડો નોંધાયો છે. એક રીતે સબસિડી પુકત ખાતરનો ઉપયોગ ઘટ્યો છે. એક અંદાજે રૂપિયા ૧,૩૩૭.૬૨ કરોડની બચત થઈ છે.

આ બેઠક સમગ્ર ભારત દેશ અને ગુજરાત પદેસનું ભાગ્ય બદલનારી બની રહેવી જોઈએ. તેમ કર્તા રાજ્યપાલે તો આવનારા પાંચ જ વર્ષમાં ગુજરાતને સંપૂર્ણ પ્રાકૃતિક ગુજરાત બનાવવા અપિલ કરી હતી. અધિકારીઓ આ અભિયાનને મિશન મોડ લઈ જવા કર્તા રાજ્યપાલે વર્ષ ૨૦૨૫ની ૧લી મે ગુજરાત સ્થાપના દિવસ સુધીમાં રાજ્યમાં ૨૦ લાખ ખેડૂતો પ્રાકૃતિક ખેતી કરતા થાય તેવો લક્ષ્યાંક પણ આપ્યો હતો. જેથી ગુજરાતની ધરતીમાં વધતા ટન ઝેર ધરતીમાં ઠલવાતું ઓછું થાય. ધરતીની ફળદ્રુપતા જળવાઈ રહે.
