2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

# Affidavit

I, Mr. Deepak Hazra, s/o Aditya Hazra aged 55 years working as Executive Engineer (E), with Deendayal Port Authority, Kandla having its registered office at P&C Building, Ground Floor, Kandla, Gujarat-370210 do hereby solemnly affirm and state as follows:

- I am the representative of Deendayal Port Authority and I am duly authorized to make this affidavit.
- That I am dealing with the sale/purchase of power on behalf of the applicant.
- I state that Deendayal Port Authority have consumed power from its own (6MW and 4.2MW) Wind power plant and balance power purchased from IEX and Deendayal Port Authority have not procured power from any other source(s) during FY 2021-22.

This is in reference to the daily order for petition no. 1992 of 2021 on 28st November 2022, regarding the submission of quarterly RPO Compliance report for FY 2021-22. The Power purchase from various sources is detailed below;

**Table 1: Power Purchase from various sources**

| Quarter        | Power from Wind (LU's) | Power from Power Exchange (LU's) | Power from PGVCL (LU's) |
|----------------|------------------------|----------------------------------|-------------------------|
| First 2021-22  | 13.48                  | 56.58                            | 0                       |
| Second 2021-22 | 32.15                  | 50.41                            | 0                       |
| Third 2021-22  | 28.95                  | 42.53                            | 0                       |
| Fourth 2021-22 | 33.39                  | 30.54                            | 0                       |

- Regarding the renewable purchase obligation for Quarter 1,2,3 & 4 of FY 2021-22, the Petitioner refers the Hon'ble Commission's Order in the matter of Suo-Motu Petition No. 1542 /2015, dated 31st December 2016, where in under Clause no. 15 the Hon'ble Commission has exempted DPT from compliance to RPO, on the grounds that DPT is procuring power, from PGVCL, which consists of the renewable energy component also. The relevant clause of the referred order has been reproduced below for reference:

*"We also note that Jubilant Infrastructure Limited, GIFT Power Company Limited and Aspen Infrastructure Limited and Kandla Port Authority are procuring the power from the DGVCL, UGVCL, MGVCL and PGVCL respectively, which consists of the renewable energy component also. Therefore, we exempt them from the renewable purchase obligations specified by the Commission."*

- Now, the RPO targets applicable on power purchase from power exchange under open access in various quarters are calculated as below;

**Table 2: RPO Targets in Four quarters**

| Quarter        | Power from Power Exchange (LU's) | RPO Solar %age | RPO Non Solar %age | Solar RPO (LU's) | Non Solar RPO (LU's) |
|----------------|----------------------------------|----------------|--------------------|------------------|----------------------|
| First 2021-22  | 56.58                            | 8              | 9                  | 4.52             | 13.48                |
| Second 2021-22 | 50.41                            | 8              | 9                  | 4.03             | 32.15                |
| Third 2021-22  | 42.53                            | 8              | 9                  | 3.4              | 28.95                |
| Fourth 2021-22 | 30.54                            | 8              | 9                  | 2.44             | 33.39                |

- As we can see from table 1 & 2 power procurement from Wind (Non-Solar) is very high in comparison to RPO requirement. Procurement of additional power from Solar energy will add on extra cost to DPT.
- In light of the above, As the Petitioner is procuring most of its energy requirement through renewable source of energy (wind power), thus it requests the Hon'ble

05 JAN 2023

commission for considering the power procurement from wind to meet the overall RPO obligation.

j. Submitted with a favorable response please.

### Verification

Solemnly affirmed at Gandhidham on May, 2022 that the contents of the above affidavit are true to my knowledge and belief and no part of it is false and nothing material has been concealed there from.
