Qualification Criteria :-

Section: G ELIGIBILITY & QUALIFICATION of BIDDERS

G.1. Eligible Entities :

Any individual or Company or Limited Liability Partnership (LLP) firm or partnership firm or proprietorship firm or body corporate or association or body of individuals, whether incorporated or not, or artificial juridical person, group of farmers or cooperatives or panchayats or Farmer Producer Organizations (FPO) or Water User associations (WUA) or any legal body shall be eligible to participate in the bid for establishment of Solar Power Project for feeder level solarization under this RfP.

G.2. Qualification criteria:

(a) Net worth: The entity shall have positive net worth of the last year as on 31-03-2023

(b) Additional requirement for participating in bid through JV Agreement: The participation in the bid through Joint Venture (JV) is allowed with one of the members as a Lead Member. In case of JV, the positive net worth criteria shall be fulfilled by all the members of JV. Further, following requirements shall be ensured by JV:

i. The lead member shall be authorized to incur liabilities and receive instructions for and on behalf of any all members of the joint venture, and the execution of the contract, including making / receiving payment, shall be done exclusively with the lead member so authorized by JV entity.

- ii. All members of the joint venture shall be liable and responsible jointly and severally for the execution of the contract in accordance with the contract terms.
- iii. A copy of the agreement entered into by the joint venture members shall be submitted with the bid along with Undertaking as per Form-8, including interalia delineation of role, responsibilities and obligations of each partners appended thereto, notwithstanding the joint and several liability of each members.
- iv. The joint venture agreement should indicate precisely the responsibility of all members of JV in respect of planning, design, survey, supply, installation and commissioning of solar project and operation & maintenance of solar project along with evacuation line for PPA tenure of 25 years from commercial operation date of the project.
- v. All members of JV should have active participation in execution of the contract. This should not be varied/modified subsequently without prior approval of PGVCL.
- vi. In case of JV, an entity can submit bid through single JV only for the bid of respective sub-station. In case the entity is participating in more than one JV in the bid of respective sub-station, such bids will be rejected.

Considering the Qualification criteria & all the Terms and condition of RFS TN-10, as mentioned the 229 bidders having 662 nos of bids in Table.A, The Techno-commercial evaluation(scrutiny) was carried out at corporate office by forming the 24 nos of Teams (DE+DYSa) of 12 nos Circles/Zonal office of PGVCL from dtd.24-06-24 to 26-06-24. During the Techno-commercial scrutiny, the queries were observed by these teams and the same were conveyed to respective bidders.

Based on the response/clarification was received by e-mail from the respective bidders and the documentation received through online N-procure portal, the final position of bidder's status of "Qualified / Put-up for decision" is as under;

Disqualification of H1 bidder :-

As per the RFS clause - I7, 7.1(vii & viii), provision for disqualification of H1 bidder is as under:

for further evaluation considering RFS Clause- I7, 7.1(vii & viii). The provision of respective clause is as under:

I.7. Financial Evaluation:

7.1 Financial Bid Evaluation (Step-2):

vii) The bidder (s) who have quoted highest tariff for respective sub-station shall be considered as H1 Bidder.

viii) The H1 bidder (s) shall be disqualified for participating in e-reverse bidding for respective sub-station subject to condition that after excluding H1 bidder (s), the remaining bidders are 5 nos or more and the aggregate project capacity of remaining bidders shall be more than or equal to twice the notified capacity of solar project.

Considering above, review of H1 bidder is as under:

Further, form Table.A, for plant number: -PG-FLS-TN10-47, The review of H1 bids is as under;

Table.C

Sr No	Bidder Name	Notified Solar Plant capacity in MW	Offered plant Capacity by the bidder (MW)	Plant Number (PG-FLS-TN10-)	Quoted Tariff (Rs./KWH)	Rank	Sum of remaining MW
1	JAY DWARKADHISH ENTERPRISE	1.5	1.500	47	2.99	L1	
2	DAVE DADA FOODS	1.5	1.500	47	3.25	L2	
3	ARJUN ENTERPRISE	1.5	1.500	47	3.40	L3	
4	KIRITBHAI MOHANBHAI CHAUHAN	1.5	1.000	47	3.45	L4	
5	KRISHA CREATION	1.5	1.500	47	3.50	H1	5.5
6	SOLEOS SOLAR ENERGY PRIVATE LIMITED	1.5	1.500	47	3.50	H1	7

In above case PG-FLS-TN10-47, the Sr. no.5 and 6 have quoted same price and also they are the H1 bidders in the plant, If these two H1 bidders are eliminated the remaining bidders in the plant will be less than 5 so the tender condition is not permitting to do so as it is not in accordance with RFS clause I.7-7.1(viii) in which it is required to have minimum 5 no. of bidders after eliminating the H1 bidders. Hence, this plant is not fall under the H1 bidder elimination clause.

Considering above, out of 662 nos of bids, Total 46 bids will be disqualified as per H1 bidder criteria and hence, for remaining 616 nos of bids, we may proceed further.

Sr No	Nos of plants (S/S)	Nos of Ag.pumpsets	Nos of bidders	Nos of bids	Nos of feeders	Notified MW	Remark

	31	21,257	31	31	123	48.0	Single Bid

This office note is hereby put-up for;

1. Approval to disqualify 46 nos of H1 bids of 32 nos of different plants for cases mentioned in Table.B, as per RFS clause I.7. Draft letter for disqualification information to bidders is put up here with for e-sign for 46 nos of bids of different bidders as above.

1. Approval to arrange e-reverse auction in respect of 107 nos of plants for 585 nos of bids of 216 bidders, by arranging e-reverse auction on n-procure portal with 6 Auction slots per day with 1:30 hours gap between start of each auction slot with maximum 2 common bidder in each auction slot, as per previous auction of tender TN-09.
