BM NO:144.17/1977:Proposal to place LoI to various bidders and to file Petition for adoption of tariff discovered under tariff based competitive bidding process conducted by DGVCL vide RfS No. DGVCL/C&R/DSM/PM-KUSUM-C-FLS/TN-03,dtd.01/03/2024 before the GERC for purchase of power from solar power projects through competitive bidding process (followed by reverse e-auction) for Solarization of 11 KV Agricultural feeders emanating from selected 66 / 11 KV Sub-stations in the supply area of DGVCL under PM-KUSUM Scheme Feeder level Solarization through RESCO Mode.

The Board was apprised that Ministry of New and Renewable Energy (MNRE) has introduced and issued comprehensive guidelines for implementation of PM KUSUM scheme. Under the scheme, agriculture feeders already segregated or, feeders having major load for agriculture may be solarized using installation of grid connected solar power plant to cater the annual power requirement of feeder(s). This will lead to lower cost both in terms of lower capital cost and cost of power.

The Board was further informed the brief highlights of the guidelines for the RESCO mode with project milestone and time line.

It was briefed that GUVNL vide letter dtd.23-01-2024 has allotted target of 5000 Ag.pump sets and also authorised DGVCL for inviting request for selection (RFS) from solar power generator (SPG) for feeder level solarisation under component-C of PM-KUSUM scheme under RESCO mode. Accordingly, DGVCL has invited RFS dtd.01.03.2024.

On the basis of guideline DGVCL has invited Request for Selection (RFS) for purchase of solar power through competitive bidding process [followed by reverse e-auction] for Solarization of various 11kv feeders of selected 66/11kv substations in DGVCL area as per Annexure-3 of the tender-which was summarized as mentioned in the note. Amendments for time limit extension for submission of RFS were given for better competition.

Overall, position of stage wise evaluation along with nos of bids, nos of bidders at the end of each stage was briefed. It is observed that in 36nos of plants, single bid is received while in respect of 31nos of plants, more than one bid in each plant is received and different 36nos of bidders have submitted 115nos of bids and hence, e-reverse auction is carried for these 31nos of plants having 79 nos of bid. e-reverse auction was scheduled on dtd. 27.08.2024, 28.08.24 and 29.08.2024.

among these plants is Rs. 3.00 per unit and highest tariff is Rs. 5.50 per unit.

It was stated that after analysis of the bidders participation, it shows that

- less than 50% participation is received in the plants having notified capacity of 0.5, 1.0, 1.5 MW
- 100% participation of the bidders is received in the plants having notified capacity of 3.5, 4.0, 5.0, 5.5, 7.5, 8.0 MW.

The Board also took note of the district wise evaluation.

As per GUVNL letters, DGVCL had issued LoI and Subsequently, based on the acceptance of the LoI, DGVCL had filed the tariff petition vide petition no.2338 of 2024 before the Hon'ble GERC for adoption of tariff up to Rs. 3.00/- per unit for 2 nos plant of 2 MW.

The Board was informed that as per observation of price rate table, if DGVCL consider the price rate from 2.25 to 3.05 Rs. Per unit, the average price comes to Rs. 2.83 Per unit but Tariff rate up to Rs. 3.00 /- per unit is proposed for awarding Letter of Intent (LoI) to the selected bidders for procurement of solar power under PM KUSUM Component - C scheme considering Hon'ble GERC has approved pre-fixed levelized tariff up to Rs. 3.00 per unit for procurement of solar power from projects to be established under PM KUSUM Component C considering justification as mentioned. The Board directed that further negotiation is to be carried out with bidders in the ceiling of Rs. 3.00 who has quoted above Rs. 3 and to issue LoI & for that MD, DGVCL is authorized.

Considering the Consent received from GUVNL for the previous tenders for accepting the bids having tariff rate up to Rs. 3/- per unit and subsequently under approval of adoption of tariff in similar tenders in PM-KUSUM-C-FLS scheme by Hon'ble GERC and looking to the importance and urgency of the LOA to be placed by getting approval from the Hon'ble GERC for adoption of tariff, after due deliberations, the Board passed the following resolutions:

"RESOLVED THAT the Board accords approval to -

- 1) To issue LoI for the Solar plants Substations against which the tariff is received up to Rs. 3.00/- per unit and
